TATTOO BANANA

SUPPLIES

- push pin, needle OR safety pin
- yellow banana
- tape
- scissors

choose a pattern and tape it to your banana - line it up the best you can

TiP!

poke holes through all the lines of the pattern keep the holes close together

LIKE THIS!

NOT THIS

take the paper off when complete, make any touch ups, and watch your design get darker over time!

connect THE dots

Make your own!
HERE'S HOW:

• **1** Draw a picture using straight lines.

• **2** Place a sheet of paper on top of your drawing and tape it to a window. Place a dot at each turn of your line and number in order start to finish.

MINI CHALLENGE :
make a connect the dots artwork that is not recognizable until the dots are connected

your dots and numbers become part of the art

CHALLENGE :

Make a complex straight line drawing, and connect the dots. The famous creature on the next page took me about 6 hours to make with a total of 441 dots!

CARDBOARD BUCK

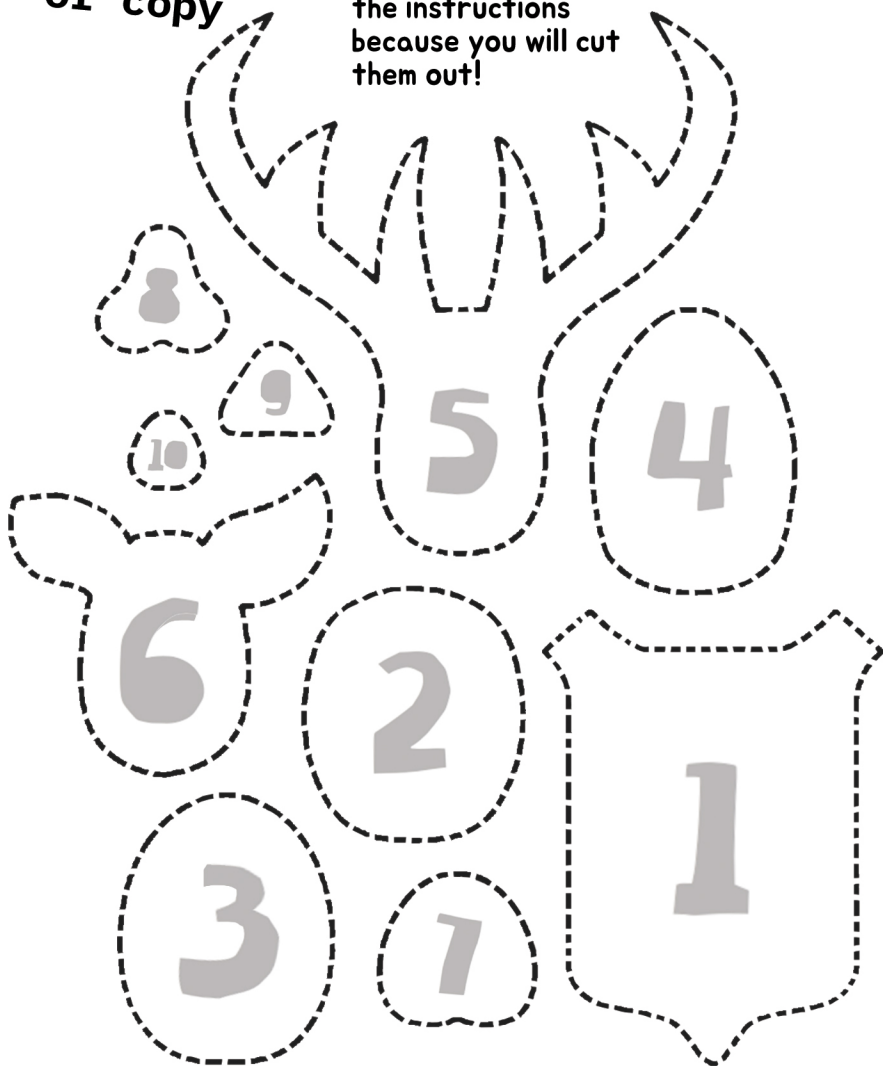

Place each shape on a piece of cardboard and cut it out. Stack and glue each piece in order starting with #1.

CHALLENGE:
Design and make a
3D sculpture using
cardboard.

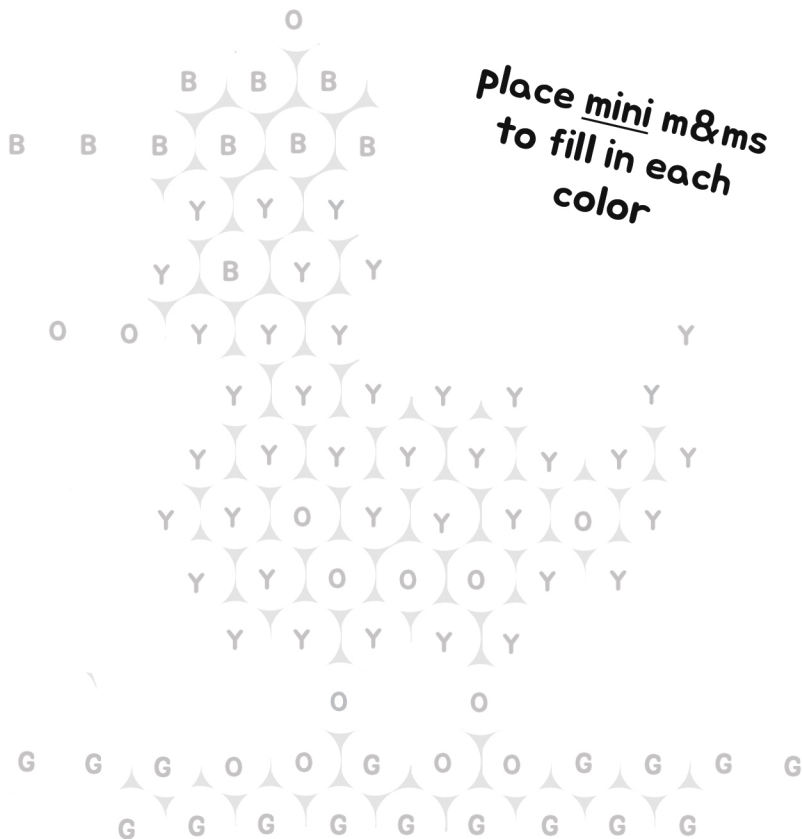

**!Trace,
cut
or copy**

Before cutting these
out take a picture of
the instructions
because you will cut
them out!

display your buck proudly

Br - brown	Y - yellow

CHALLENGE:
make your own design
using candy as pixels,
go large or tiny!

STENCIL STAMP

cut out the stencil,
tape onto another
sheet of paper and
use your finger to
stamp it in!

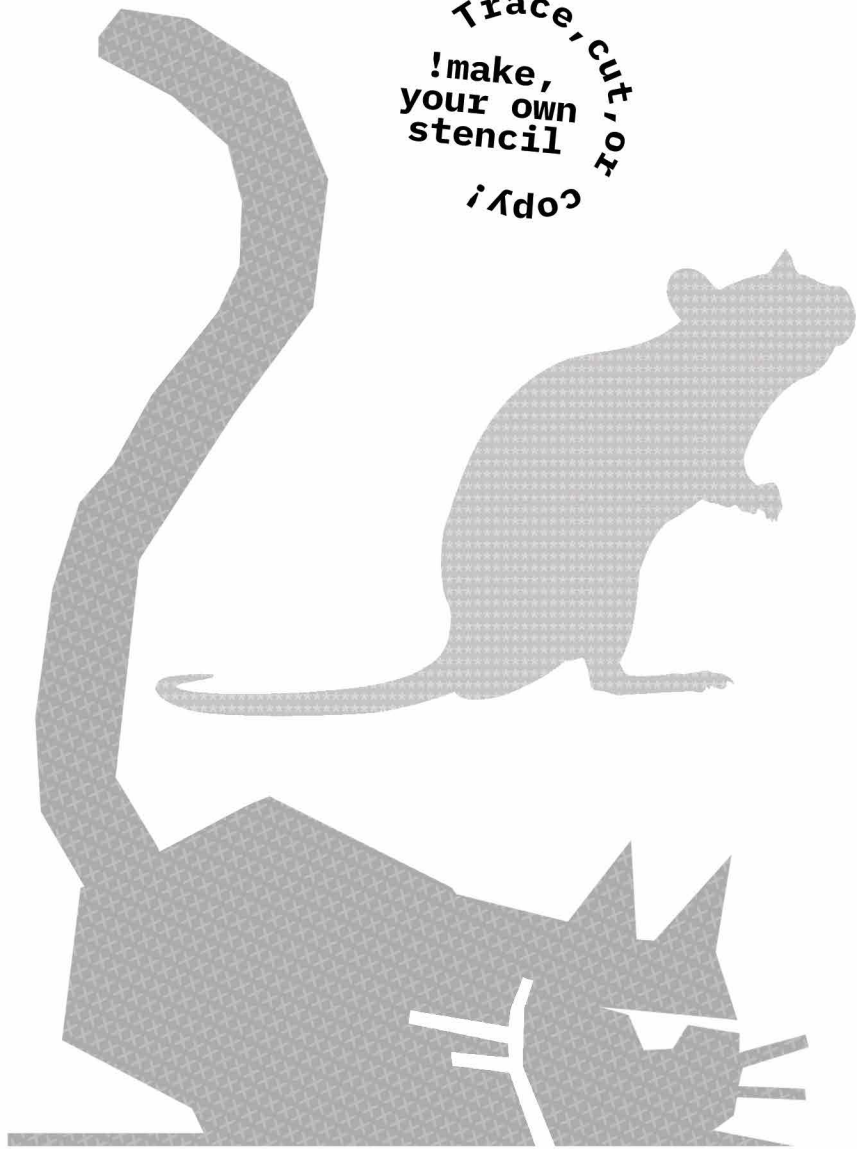

Got an
ink pad?

use the inside or
outside of the
stencil

Create your own and see what patterns your
fingerprints make. Careful around delicate parts of
the stencil, if needed you can reinforce with tape
before cutting it out.

! CHALLENGE:
make a picture
with multiple
cookies!

Pixel Scribe

Scribble each pixel in the next pages with a pencil.

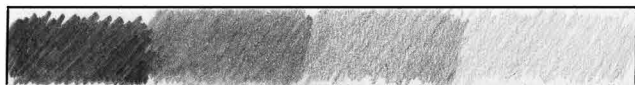

press hard but
try not to break
your pencil!

Each number represents how
hard to scribble, or what
shade to color it in.

Practice first! practice the shades, match
them as closely as you can :

CHALLENGE :

use graph paper to make your
own image and see how detailed
OR how few pixels you use can
make a picture.
